

## **Suggested Preamble:**

### **Welcome to the Ontario Amateur Radio Service Net**

Your controller this hour is (call sign), my name is (.....) and I am located in (city, province/state).

**ONTARS** operates everyday on a frequency of 3.755 MHz LSB from 7 am to 6 pm with a dedicated group of controllers who :

- Take your checkins
- Give signal reports.
- Pass any traffic that you might have.

**Emergency, priority or mobile traffic takes precedence over anything.**

**We also provide a friendly meeting place for all amateurs.**

**Please visit our ONTARS website at [www.ontars.com](http://www.ontars.com), for controller opportunities and special events listings .**
