Manager's Message

Good day all:

A special thank you to Linda VE3CZ and Mike VE3FE for continuing the tradition of Remembrance day 2025 on the ONTARS net frequency.

As most of you know November is officially "Movember" ...a time to recognize the threat to most adult men for prostate cancer.

Please check the following link to help Vito VA3VMD's fundraiser.

A tip of the hat to the the York Regional ARC and their well attended annual Hamfest in Aurora. Video attached for your information.

Included in this newsletter is a link to one of our ONTARS controllers: Gene VE3IJD'S new garage construction in Honey Harbour. Check it out!

Thank for the privilege of your time!

Barry VE3ISX Net Manager

G'Day from Mildmay! Wow, I looked back on my submission for the October newsletter and I was talking about camping, hiking and beautiful weather. That sure has changed. Welcome to winter. Not too much of the white slippery stuff here, but others around the province have had the joy of a snow delivery. Warmer weather is coming to finish up any outdoor projects.

We are still looking for controllers to help with the Net. Please give some thought to picking up Sunday 4pm or 5pm at a minimum. I am hopeful that Don WWA makes it back soon for Saturday at 5pm. He is keeping me up to date as he tries to get his antenna in the air.

If you don't think you have what it takes to be an net controller, you do. Try it out, it is a great way to meet new hams plus it is a lot of fun. I am often told by people that they aren't sure what to talk about. You don't need to do all the talking, let the check ins talk and the hour generally takes shape. Try it out!

This month brings Remembrance Day. An important day in our lifetime. Please remember those veterans that did not make it home and thank the veterans that served. Have a great month ahead and thank you for your support. Your Ontario net - ONTARS. 73
